

COVID-19

Important COVID-19 Sorry Business information

To keep our communities and especially our Elders safe, strict health orders will need to be followed by all people attending the funeral and wake.

If you are feeling unwell do not attend and go and get tested for COVID-19

- Provide organisers with your name and contact details in case there is a need to contact you
- Keep a safe physical distance from others (1.5 metres – that's two big steps)
- Wash your hands thoroughly and often. Keep hand sanitiser with you
- Watch out for any symptoms of COVID-19
- Go and get tested nearby even if you only have mild symptoms
- Cough or sneeze into a tissue or your elbow
- If you notice someone else with symptoms, encourage them to go and get tested
- Do not share food utensils, drink utensils or cigarettes
- Consider downloading the COVIDSafe app on your phone.

The impacts of COVID-19 can be distressing for our community.

If you are worried about how you or someone close to you is dealing with stress during this time, call **1800 512 348** to speak with a counsellor (24-hour helpline)

If you have questions about COVID-19, call the Healthdirect 24-hour help line **1800 020 080**
